Dear Miss Hillis,

I have enclosed copies of much of the correspondence stemming from the original confiscation of our Sierra Club fact sheets and petitions, etc. at Mineral King in 1968, including the subsequent return of the material, permission to post same at Mineral King, and this summer's decision to deny that permission. The concluding enclosure is a copy of the letter of explanation which you requested when you visited me at Mineral King, which Mr. James sent to Congressman Jerome Waldie. Mr. James' letter to Waldie is remarkably different from the one he sent me.

Thank you for your interest. I hope this material will prove useful.

Sincerely,

Jean Koch
